MR. J. W. BLACKBURN,

"I had been suffering from stomach and liver troubles for a number of years I tried everything possible, having been attended by a great many doctors, and have bought numerous patent medicines, but was noticed the advertisements of the United Instors, where they had made wonderful cures of others. and thought I would give them a trial. After taking just four of their treatments I began to improve to rapidly that I began feeling like a new man, eating anything that I wanted. I wish to notify the publie that the United Doctors have retieved me where all others failed."

· I suffered dreadfully with Sciatic Rheumatism for ten years, and tried various remedies and treatments, and have never found as much relief from any treatment as I have received since taking treatment from the United Doctors. I also find that the Electric treatment has done more for my nervous system than anything I have ever

Gentlemen,-I wish to say that after taking your treatment for feeling as well as I ever did. When I began your treatment I had not known what a well day was for some time; my condition was so bad that I was compelled to lose much time from work, but from the time I started taking your treatment 1 rapidly improved, and have worked every day, even overtime at times, and it gives me pleasure to advise any one suffering as I did to take your treatment. I am now entirely free from pain and discomfort of all kinds, and feel as well as I ever did.

With best wishes, I am, yours ERICH VON EIME.
